Kick off the evening with a drink and hors d'oeuvres in the private Pacific Seas Tiki Bar along with other VIP Sponsors. Then enjoy an exclusive **Worlds of Possibility** program that explores how Pandora comes to life in several unique settings, including **Pandora – The World of Avatar** at Disney's Animal Kingdom. Sneak previews, stunning displays, insightful conversation with key designers – and delightful surprises! Immerse yourself in fantasy worlds at the newly re-imagined multi-level Clifton's with a redwood forest down below and a Tiki bar at the top. You and your guests will mix and mingle among creative professionals and art aficionados. Peruse and purchase art created by alumni artists whose careers began at Ryman Arts. Know you are creating a brighter world of possibility for the next generation of dreamers and doers.

Ryman Arts is a nationally recognized 501(c)(3) organization established in 1990 to honor legendary Disney artist and mentor Herbert D. Ryman. Ryman Arts offers free professional studio art instruction and college and career guidance to artistic high school youth. Ryman Arts has educated thousands of Southern California teens from 150 communities in our core program, provided outreach to over 20,000 inner city students, and spearheads The Big Draw LA, a regional public drawing festival. Students choose to attend Saturdays at California State University, Fullerton or Sundays at Otis College of Art & Design. Almost all Ryman Arts graduates go on to college, many alumni work in the creative industries, and all are poised for personal success.
