A Brush with Disney

Ryman Arts is proud to present a book of extraordinary insight into the magical worlds of Disney and its quintessential artist Herbert Dickens Ryman.

A Brush with Disney is the story in 252 pages of color illustrations of artist Herbert Ryman's personal journeys around the world and through the "world of Walt".

Told through the marvelous illustrations of the artist and his own personal notes and thoughts on a 50-year journey, this rare compilation (with many never-before-seen works) is edited by Bruce Gordon and David Mumford, research by Irene Naoum.

All proceeds support **Ryman Arts** whose free program teaches teens essential skills for art and life in a rigorous, nurturing studio environment.
